

# Hydrant Flushing

The Wellston Water Department will be flushing hydrants the first and second week of May. Water discoloration is possible during this time, please use caution when doing laundry, cooking, and using water for consumption.

We will be in the following areas during these days, but this may not limit discoloration to the scheduled area:

**Monday May 6th:** North Corporation limit to intersection of 2<sup>nd</sup> Street and New York Ave.

**Tuesday May 7th:** Intersection of 3<sup>rd</sup> Street and Massachusetts Ave. to 800 Block of South Pennsylvania Ave.

**Wednesday May 8th:** 1000 Block New Hampshire Ave to the Intersection of McGhee Lane and Honeysuckle Lane

**Thursday May 9th:** Intersection of Broadway and Lockard Lane to Intersection of Broadway and Michigan Ave.

**Monday May 13th:** Intersection of Grady Lane and Cope Lane to Intersection of Broadway and Park Ave.

**Tuesday May 14th:** Intersection of McGee Lane and Honeysuckle Lane to County Road 88 at Superior Hardwoods

**Wednesday May 15th:** Cherrington Hill Reservoir at 5<sup>th</sup> Street to Intersection of #8 Pike and Broadway

**Thursday May 16th:** Exline Road to Intersection of Pennsylvania Ave and 7<sup>th</sup> Street

Monday May 20th and Tuesday May 21st are scheduled as make up days for any hydrants missed or unable to be tested during its scheduled day. The areas affected by these make up days will be announced as they are known.

Thank you for your cooperation during this time, and please allow water to run until clear before attempting to use it, although discoloration should be minimal.
